GOVERNMENT OF GOA, DAMAN AND DIU

Works, Education and Tourism Department

Notification

No. 7/17/1/80-WET

After the creation of a separate Department of Irrigation in this Government, vide order No. 7/17/1/80-WET dated the 25th June, 1981, Government have had under their consideration the question of bifurcation of the present cadres of the officers and staff of the Public Works Department and the Irrigation Department. Government, therefore, provided an opportunity, vide their order No. 7/17-1/80-WET dated 5-5-83, to the officers working in the Public Works Department and Irrigation Department to exercise an option for final allotment to either of the two Departments.

2. The options exercised by the Gazetted officers (Group A and Group B) of the two Departments have been carefully examined by the Government. Taking into consideration these options as well as the general public interest and the need to maintain the expected degree of efficiency of work, Government have now decided to allot the gazetted officers (Group A and Group B) to the two Departments as shown in the Annexure to this notification.

3. The question of allotment of the non-gazetted staff (Group C and Group D) to the two Departments is still under consideration of Government and a notification in respect thereof is expected to be issued shortly.

4. Government have decided that the bifurcation of the existing cadre of officers into two separate cadres of the Public Works Department and the Irrigation Department and allotment of the offices listed in the Annexure to this Notification in the respective Department will take effect from the 2nd April, 1984.

5. Government have taken into consideration the fact that immediate large-scale transfers of the officials from one Department to another, which may also involve transfers from one place of duty to another, may create a dislocation in the working of the two Departments. Government have, therefore, decided that though the bifurcation of the cadres shall be effective from the 2nd April, 1984, the officers concerned shall continue to work in and draw pay and allowances against their present posts until individual orders of posting and transfer are issued.

6. Government have further decided that if any officer as listed in the Annexure wishes to represent to Government against his allotment to the particular Department, he may do so before the 30th June 1984. Such representations will be considered on merits, keeping in view the public interest.

7. The Annexure purports to indicate only the allotment to cadres and shall not be cited as a basis for any claims regarding seniority, regularisation or permanency etc.

By order and in the name of the Administrator of Goa, Damam and Diu.

T. S. Khandeparkar, Under Secretary to the Government of Goa, Damam and Diu.

Panaji, 2nd April, 1984.
